# Haunted House

Gene Simmons

**N.C.** **G** **C**  
 I just moved in my new house today. Moving was hard but I got squared away.  
**D N.C. G**  
 When bells starting ringing and chains rattled loud, I knew I'd moved in a haunted house.

**N.C.** **G** **C**  
 Still I made up in my mind to stay. Nothing was a-gonna drive me away.  
**D N.C. G**  
 When I seen something that give me the creeps, Had one big eye and two big feet.

**N.C.** **G** **C**  
 I stood right still and I did the Freeze. He did The Stroll right up to me.  
**D N.C. G**  
 Made a noise with its feet that sound like a drum. "Say, You gonna be here when the morning comes?"

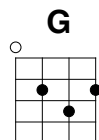

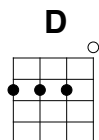

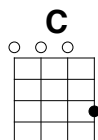

**N.C.** **G** **C**  
 "Say, yes, I'll be here when the morning comes. I'll be right here, and I ain't gonna run.  
**D N.C. G**  
 I bought this house, now you know I'm boss, Ain't no haint's gonna run me off."

**N.C.** **G** **C**  
 In my kitchen my stove was a blazing hot. Coffee was a-boiling in the pot.  
**D N.C. G**  
 Grease had melted in the pan. I had a hunk of meat in my hand.

**N.C.** **G** **C**  
 From outer space there sat a man, On the hot stove with the pots and pans.  
**D N.C. G**  
 "Say that's hot!" I began to shout. He drank the hot coffee right from the spout.

**N.C.** **G** **C**  
 He ate the raw meat right from my hand. Drank the hot grease from the frying pan.  
**D N.C. G**  
 And said to me now "You better run, and don't be here when the morning comes."

**N.C.** **G** **C**  
 "Say, yes, I'll be here when the morning comes. I'll be right here, and I ain't gonna run.  
**D N.C. G**  
 I bought this house, now you know I'm boss, Ain't no haint's gonna run me off." (x2)

# Bad Moon Rising

**G D C G G D C G**  
I see a bad moon rising I see trouble on the way

**G D C G G D C G**  
I see earthquakes and lightning I see bad times today

**C G**  
Don't go around tonight 'Cause it's bound to take your life

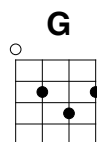

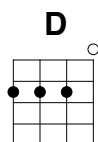

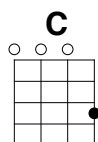

**D C G**  
There's a bad moon on the rise

I hear hurricanes a blowing I know the end is coming soon  
I fear rivers overflowing I hear the voice of rage and ruin  
Don't go around tonight 'Cause it's bound to take your life  
There is a bad moon on the rise

-guitar solo-

Hope you got your things together Hope you are quite prepared to die  
Looks like we're in for nasty weather One eye is taken for an eye  
Don't go around tonight 'Cause it's bound to take your life  
There is a bad moon on the rise

Don't go around tonight 'Cause it's bound to take your life  
There is a bad moon on the rise

# Folsom Prison Blues

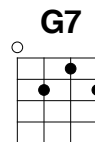

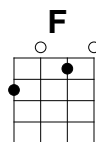

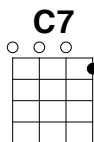

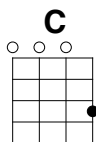

**C**  
I hear the train a comin' it's rolling round the bend  
**C7**  
And I ain't seen the sunshine since I don't know when  
**F** **C**  
I'm stuck in Folsom prison and time keeps draggin' on  
**G7** **C**  
But that train keeps a rolling, down to San Antone

**C**  
When I was just a baby, my mama told me son  
**C7**  
Always be a good boy don't ever play with guns  
**F** **C**  
But I shot a man in Reno just to watch him die  
**G7** **C**  
Now when I hear that lonesome whistle I hang my head and cry

**C**  
I bet there's rich folks eating in a fancy dining car  
**C7**  
They're probably drinking coffee and smoking big cigars  
**F** **C**  
Well I know I had it coming I know I can't be free  
**G7** **C**  
But those people keep moving And that's what tortures me

**C**  
Well if they free me from this prison, If that railroad train was mine  
**C7**  
I bet I'd move it all a little farther down the line  
**F** **C**  
Far from Folsom prison that's where I want to stay  
**G7** **C**  
And I'd let that lonesome whistle blow my blues away

 Well the shark has, pretty teeth dear, and he keeps them, pearly white  
**Am**                    **Dm**                    **G7**                    **C6**  
 Just a jackknife, has old MacHeath dear, and he keeps it, out of sight

**C6**                    **Dm**                    **G7**                    **C6**  
 When the shark bites, with his teeth dear, scarlet billows start to spread  
**Am**                    **Dm**                    **G7**                    **C6**  
 Fancy gloves though, wears old MacHeath dear, so there's never, a trace of red.

 Sunday morning, on the sidewalk, lies a body oozing life  
**Am**                    **Dm**                    **G7**                    **C6**  
 And some one's creeping, around the corner, could that someone, be Mack the knife?

**C6**                    **Dm**                    **G7**                    **C6**  
 From a tug boat, on the river, a ce-ment bag's, dropping down  
**Am**                    **Dm**                    **G7**                    **C6**  
 The cement's just, for the weight dear, I bet you Macky's back in town

**C6**                    **Dm**                    **G7**                    **C6**  
 Louis Miller, disappeared dear, after drawing, all his cash  
**Am**                    **Dm**                    **G7**                    **C6**  
 And old MacHeath spends, like a sailor, did our boy, do something rash?

**C6**                    **Dm**                    **G7**                    **C6**  
 Sukey Tawdry, Jenny Diver, Polly Peachum, and old Lucy Brown  
**Am**                    **Dm**                    **G7**                    **C6**  
 Well, the line forms, on the right girls, now that Mackys back in town!

**G** **Em**  
Out from his coffin Drac's voice did ring It seems he was worried 'bout just one thing
